To
The Principals
All Examination Centres
Centre for Distance and Online Education (CDOE)
Andhra University

**Sub: CDOE – Uploading of Assignment Marks in the Online Portal –
Instructions – Reg.**

It is hereby informed that all the Principals of the Examination Centres conducting the Centre for Distance and Online Education (CDOE), Andhra University examinations in June/July - 2026 are required to complete the uploading of assignment marks for all eligible students in the CDOE online portal.

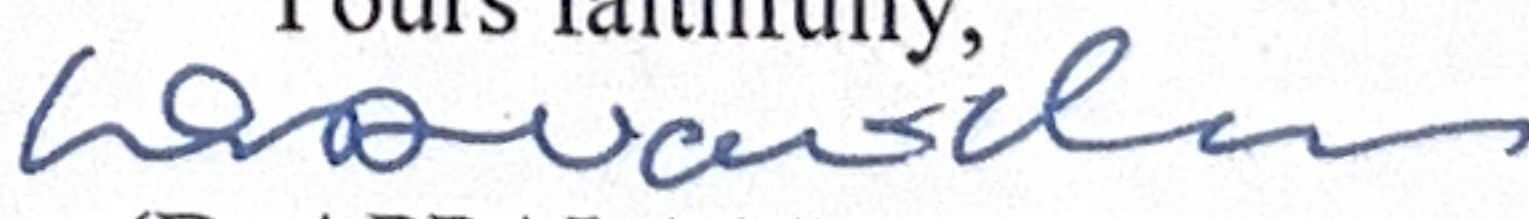

The assignment marks shall be verified carefully before uploading to ensure that the marks entered are accurate and correspond with the evaluated assignments. The responsibility for the correctness of the uploaded marks rests entirely with the concerned Examination Centre.

All Examination Centres are instructed to complete the uploading of assignment marks on or before **01-07-2026** without fail. No requests for extension of the last date or for correction of assignment marks will be entertained after the closure of the portal. After uploading the marks online (soft copy), each examination centre must also submit a printed (hard) copy of the uploaded marks. This hard copy must be signed by the Principal and sent to the concerned office.

The timely submission of assignment marks is essential for the processing of students' examination results. Any delay in uploading the marks may lead to delays in result processing and may adversely affect the academic interests of the students concerned.

Therefore, all Principals are requested to personally monitor the assignment mark uploading process and ensure that the work is completed well before the prescribed deadline.

Your cooperation in this matter is highly appreciated.

Yours faithfully,

(D. APPALA NAIDU)
